

## Grade 70 Transport Chain Specifications

An improvement over High Test chain, Gr 70 meets stringent Department of Transportation (DOT) regulations with smaller, easier to handle chain. Identified with "L7" or similar grade marking. Supplied in yellow (gold) chromate finish for easy identification and rust prevention. Packaged in drums, pails and cut to order.

**Not for overhead lifting.**

Manufactured to specifications developed by the National Association of Chain Manufacturers, Federal Specification RR-C-271, and ASTM/ANSI 413.
